

513/24 Levey Street Wollri Creek NSW

3  2  1 

Prized for its outlook and position, this impressive split-level three-bedroom apartment is set within the highly regarded Southbank development, an architecturally striking residence designed by renowned architects Spence Pearson and built by Ganellan, with interiors by award-winning Hecker Guthrie.

Enjoying a peaceful parkside setting, Southbank offers an exceptional lifestyle with access to a rooftop terrace featuring a swimming pool, gym and BBQ facilities. The pet-friendly complex is surrounded by newly created walkways, cycle paths, Cahill Park and the Rowing Club, while remaining conveniently close to schools, shops and public transport.

Showcasing a unique, house like design, this apartment spans two generous levels (Levels 5 and 4) and offers excellent separation of living and accommodation zones, ideal for families, professionals or those seeking flexible living arrangements. Beautifully presented throughout, the home features generous proportions, a soft contemporary colour palette, track lighting and reverse-cycle ducted air
